Track Said by Expert To Be an Ideal Speedway.

Automobile races will be one of the leading features of the free state fair which will be held here September 13 to 17. Preliminary arrangements for the races were made today with Huff Dorward, of Chicago, a repre-sentative of the International Motor Contest association, who stated that Topeka and Kansas people would see some of the best auto racing ever held in this section of the country. Dirt track cars from the Iowa, Minne-sota, and Michigan fairs, will come to Topeka. This is the first time the local fair management has ever staged auobile racing events at the fair

Certain rules and regulations for certain rules and regulations for the safetly of the crowd and drivers of the cars must be followed and in order to have this done Mr. Dorward appointed W. W. Webb, of Topeka, as special representative of the associa-tion. Mr. Webb, in the old bicycle days, was chief consul for the League An Ideal Speedway,

Mr. Dorward and Mr. Webb went out to the fair grounds and inspected the track facilities and made several rec-ommendations as to changes in the ommendations as to changes in the track that would insure safety to the

I have in every instance appointed the best man or best woman available. I think the people of Kansas are tired of mere politics in the public business. They want the public money expended efficiently and economically, rather than for the building up of a political machine. Since the day I went into office I have not known that there was any such thing as a 'stand-pat' faction or a 'progressive' 'stand-pat' faction or a 'progressive' faction.
